

## Effective Staffing and Management: *Team-Building*

modification date:	August 5, 2013
content:	Project Fact Mobile

### Overview

Incorporating crafts and decorations to celebrate team milestones, individual achievements, and holidays can contribute to a positive staff and work environment.

### Materials

- Colored construction paper
- Markers
- One-Hole punch
- String
- Tape or thumb tacks

### Instructions

Cut colored construction paper into various shapes (< 12 inches x 12 inches will be easiest to work with). Write milestones, well wishes or individual team member recognitions on each of them. Examples include number of LARC methods inserted, number of family planning patients served, number of posts on social media, or how many patients were counseled using a tier-based approach. Use a one-hole punch to make a hole at the top of each shape. Tie a string through the hole and display using tape or a thumb tack to hang from a ceiling. Display at team celebrations or in an all-staff area (such as a break room).
